## MIKE STARNER'S MONTHLY MESSAGE TO D10

READ NOW

Director of Outside Line Safety

### Monthly Message to District 10

OSHA published a revised standard on Subpart CC Cranes and Derricks in Construction on August 9, 2010. Due to the complexity of the latest revision, OSHA developed a directive to help Compliance Officers enforce it. The following excerpts from Compliance Directive CPL 02-01-063 may be useful for contractors working to remain compliant and will help identify areas that may need more attention within their own program.
