The next Board of Directors and Membership meeting will be held September 12, 2018. It is very important to let Michelle know if you will be attending the meeting or not. **Please RSVP no later than Friday, September 7, 2018** so that the Chapter may get an accurate head count for the food.

The annual NECA Open was held on August 16, 2018 at the Anchorage Golf Course. Even though we got off to a wet start, it cleared up for an enjoyable time. Congratulations to the winning team, Jason Hodges, Rob Gambill, Paul Lantz and Forest Button! We would also like to thank Haakenson Electric and Northern Powerline Constructors for their generous donations. A special thank you to Northern Powerline Constructors for sponsoring our photographer as well!

### ELECTRICAL CONTRACTOR Releases 2018 Profile of the Electrical Contractor

Twenty-five is the most significant number in the 2018 Profile of the Electrical Contractor research study findings. It means you're wearing many more and different hats than ever before. In the 2004 study, traditional electrical power/distribution made up 69 percent of the EC's revenue. Almost 1,600 readers responded online and by mail to this year's Profile of the Electrical Contractor survey, which covers work performed in 2017.
