## Alaska Chapter News

### Information Updates

The Chapter has sent out an information update form to each firm asking you to let us know what agreements and targets you would like to be notified about. If you have not filled this in and returned it to Michelle, please do so as soon as possible.

## Meetings & Events

### NECA 2016 Boston: Call for Presentations

NECA's Annual Convention and Trade Show provides members with the tools needed to keep their companies on top, but we need your help. We are seeking the best and brightest to speak during NECA 2016 Boston.

NECA currently seeking proposals for presentations that focus on the hot topics and key issues within specific areas of the electrical construction industry.

## Publications & Resources

### NECA Temporary Power Guide Helps Contractors Get it Right

This guide was developed by NECA to assist the industry in understanding and applying all applicable requirements for installing temporary power systems and the use of temporary power. The NECA Guide to Temporary Power (Index #5030) publication provides essential resources for electrical contractors to help them get it right when it comes to temporary power responsibilities.

Available at [NECAStore.com](http://NECAStore.com) as a printed or electronic publication, priced at \$35/members and \$70/non-members.

### NEIS Yearbook Provides Complete Digital Library of Standards

**Index: NECA2000-15**

This reference tool is a complete digital collection of NECA's performance standards for electrical construction and maintenance. It delivers the complete set of NEIS, including updated and new standards series through mid-2015. Several NEIS in the Yearbook have been revised and expanded to align with the current edition of the National Electrical Code and other applicable standards.

### Electrical Contractor 2016 Construction Outlook

NECA's magazine, Electrical Contractor (<http://www.ecmag.com>), recently published the 2016 Construction Outlook; an article that reviews the different areas of the construction industry and evaluates trend and growth.

Here's what to expect in 2016: These past few years have represented an era of tempered economic expectations for construction. Expect 2016 to continue a sustained recovery strong enough to ward off uncertainty with greater contributions from housing, commercial and institutional.

## Safety

### eSafetyLine Toolbox Talks

Each month, the special safety site available through NECA's website addresses a specific topic and offers downloadable materials to enable you to provide related weekly toolbox safety talks to employees.
